When Luke Reynolds opened his New Farm salon in 2007, only the finest of like-minded creatives with an experienced flair for hair made the cut. Now eight strong, this intimate hairdressing boutique makes even haute coiffure seem a fad, priding themselves on the excellence of true customer care.

From follicle nourishment right at the base of it all, to the ends you thought you couldn't repair, Luke Reynolds and co know how to treat it. The interior of the Salon reflects the professionalism and romanticism of a Paris hotel in uptown Manhattan. Simple yet stylish with a lavish chandelier mesmerizing your eyes, let Luke's stylists and colourists mesmerize your scalp!

The salon caters for Weddings, Parties and/or Anything. Keeping up with the seasons, Summer demands a seachange that's as good as a holiday. Clear those winter tresses with the help of Luke Reynolds, Loreal colour and all the attention your hair could ever need.
